ART AT THE MUSEUM

**This program is made possible by the Miriam Foundation
through the generous support of the Azrieli Foundation**

Art is a powerful force in our world, capturing depth of emotion and speaking to people across cultures and time. It not only allows us to experience what an artist thinks and feels but also allows us to convey our own feelings and emotions. The incredible power of art is that it is accessible to anyone. Everyone's expression is unique and tells their story. And what better way of exploring a wide array of art materials and methods than by visiting the galleries of the Montreal Fine Arts Museum.

Art at the Museum is a unique partnership between the Museum and the Gold Centre. An art educator from the Museum will teach one new skill or technique each week, from print making to Suminagashi, from collage and clay sculpture to spin art and more. Participants will be exposed to many forms of art expression in 2D and 3D. Each week will include a short visit to the Museum's galleries, followed by art-making.
