CINEMA OUTING GROUP

**This program is made possible by the Miriam Foundation
through the generous support of the Azrieli Foundation**

Going out to the movies with friends is a very typical and very enjoyable weekend activity. It is a great way to meet and catch up with friends, to meet new friends, to have a chance to hang out, as well as to see a movie in the theatre. Often, however, our participants do not have a chance to or are not able to coordinate seeing movies in groups.

This group will provide the chance for movie-lovers to get together on the weekend to see a matinee. The group will meet on Sunday afternoons at a local cinema. Here they will decide the film they will watch together. Afterward they may decide to hang out and discuss the movie they just watched. Travel to and from the cinema will be organized by the home or case managers, or by the participant, if possible. Movie tickets will be provided.

THE OBJECTIVES OF THE CINEMA OUTING GROUP:

- To provide a weekend activity for participants to do in a group, sharing their common interest
