GLEE CLUB

**This program is made possible by the Miriam Foundation
through the generous support of the Azrieli Foundation**

The Glee Club will be a group of men and women who love to sing, and to perform. Most days will consist of some combination of singing old favourites and learning a new piece of music to sing together as a choir. The music will reflect the interests, and be planned with reference to the needs and abilities, of the participants. One of the goals of this group will be to perform for others, as in addition to end-of-session concerts, from time to time the Glee Club is invited to make appearances at fundraising and other community events. Travel to and from the Lori Black Community Centre will be organized by the home or case managers, or by the participant, if possible.
