MUSIC-DRUMMING CLUB

**This program is made possible by the Miriam Foundation
through the generous support of the Azrieli Foundation**

Our memories are stimulated by the music we hear. We are the culmination of our personal memories.

The Music-Drumming Club will be a group of eight men and women who meet to listen to popular music as well as learn and explore various drumming techniques. For the music component, the group will discuss and appreciate the popular music of the past six decades. People will share their love and recollections of old favourites.

During the drumming segment of the group, the participants will use various percussion instruments, ranging from bongo drums to hand shakers, and will learn about beats and rhythms. They will work together to create their own music, follow a beat, and, in general, participate in very lively, energetic and musical jam-sessions! It will get a little noisy! Travel to and from the Gold Centre will be organized by the home or case managers, or by the participant themselves, if possible.
