YOGA GROUP

**This program is made possible by the Miriam Foundation
through the generous support of the Azrieli Foundation**

The practice of yoga is a long-standing tradition. Yoga is an incredibly accessible activity that can be adapted to anyone's abilities. It involves relaxation techniques, gentle stretches, and more intense movements and poses. The practice of yoga can help to control and calm emotions, remove anxieties and, when it becomes a regular part of a routine, can allow a person to feel a greater sense of focus, control, and can even increase self-esteem. Much joy and satisfaction alone comes from being able to move around in a space, to exert and push yourself to your limits and beyond your expectations.

This group will offer a chance for participants to try out a variety of yoga poses, relaxation techniques, and various breathing exercises. The purpose is to encourage participants in their physical expression as well as to help them learn relaxation techniques and develop a range of yoga poses. Travel to and from the Gold Centre will be organized by the home or case managers, or by the participant, if possible.
